PRESIDENT'S REPORT

It is with great pleasure that I present the Annual Report for 2011, a difficult year but one nonetheless with some significant achievements.

Board

As flagged in last year's Annual Report, the Board finalised and adopted a new Constitution to take us forward and thus severed the links with our Constitutional Head, the Southern Councils Group, which we have had since our inception.

It is exactly 26 years since we accepted our first athletes in January 1986 and some 4,500 athletes have passed through the Academy over that time. I cannot thank the Councils of the Region enough for their support. The strong relationship continues with the annual Mayoral Receptions held in each local government area.

During the year the Board adopted a new logo and website to better promote the Academy, its athletes and supporters.

At the Executive level, our Executive Director, Mark Brogan – did not return to work after major surgery in June. Ultimately he resigned in October due to ill health. I place on record his service to the Academy as the Executive Director for nine years.

In the second half of 2011 we had the challenge of planning for the ClubsNSW Regional Academy Games to be held in April 2012. We received great support from the local sporting associations, who will assist us with running these events.

Approximately 800 young athletes will be competing in the Games, which we will host for 3 years, and which will showcase our magnificent facilities and beautiful region.

I sincerely acknowledge and thank the staff and the Directors for their special efforts this year in keeping the Academy operating efficiently during this very difficult and busy time. This has been a magnificent unselfish effort by the Directors over and above their normal generous contribution.

In 2011, Board members Ross Fuller, Vicki Tiegs, Trevor Fredericks, Richard Davis, Paul Tuddenham and Anthony Horne resigned and I acknowledge their contribution – especially Ross Fuller who served for 11 years. We welcomed onto the Board, Carolyn Dews, Clare Rogers, Cllr David Stranger and Mark Bond.

A particular highlight in 2011 was, attending for the third year, a NSW Parliamentary Function, hosted by the Speaker of the House and Member for South Coast, the Honourable Shelly Hancock (who is a former Director of our Academy). The event provided an opportunity for parliamentarians & academy board members & athletes from throughout NSW to mix and discuss the achievements and needs of regional academies. Our Academy was represented by Sarah Carli and Max Moran.

Athletes

I won't summarise the achievements of the particular squads as these will be referred to individually later in this report. However I would like to mention the recent efforts of some of our past and current graduates, who continue to excel at the highest levels.

In particular I refer to –

Brett Lee, who was a member of our cricket squad in 1990 and is still competing internationally. Brett in his recent book, very kindly credits the Illawarra Academy, and its first coach Bruce Jones, for putting him on the road to representative glory.

Karen Murphy was a member of our first lawn bowls squad. She recently won a world championship. What a stellar career she has had.

Another member of that inaugural squad was Leif Selby who was rated as the world's number one lawn bowler in 2011 – that says it all about the wonderful career he has had.

In football, Luke Wilkshire is currently enjoying worldwide acclaim as one of the stars of the Socceroos and is playing successfully in Russia.

Surfer, Sally Fitzgibbons continues to excel on the world stage as does cyclist Rochelle Gilmore, who is a Commonwealth Games Gold Medallist.

Swimming graduates Robert Hurley, Emma McKeon and David McKeon all won races at the Asian leg of the World Cup series.

In rugby League, there are a number of graduates that are currently playing first grade in the NRL competition. Players such as Brett Stewart, Ben Hornby, Josh Morris, Mitch Rein and Kane Linnett are all Academy graduates.

Significantly, there were three current athletes who competed at international level in 2011. Abbie Taddeo raced at the Commonwealth Youth Games, held at the Isle of Man, Sarah Carli raced at the World Junior Track Championships in France and Jack Millar who competed the Youth Winter Olympics.

2012 is also an Olympic Year and we look forward to a number of past and present Academy athletes competing on this great stage.

On a sad note we were deeply saddened by the accident suffered by Mark Scott. Mark was not only a former Academy athlete but had then become a member of the Academy coaching squad – coaching some of our aspiring tri-athletes. The Academy actively supported the fund raising appeal for Mark and I especially thank the athletes and coaches who participated, proudly wearing their Academy uniforms that day.

We all pray that Mark will awaken and we offer our ongoing support and prayers to his family.

Community

The Academy is fundamentally a community based organisation. So to the media of the region, thank you for your ongoing great support. You are a key conduit to our community.

To the parents, coaches, managers, volunteers and supporters I offer a big thank you from the Board, from myself as President and our staff for your strong support in 2011.

Sponsors

Fundamental to the Academy's existence is the support of our sponsors. Economic times are tough – the Academy is not

immune to these pressures. However, we are most grateful for the continued support of government at both state and local levels, local business and sports associations in these challenging times.

The NSW Government, through NSW Dept of Communities Sport & Recreation, is our major sponsor. The State Government, along with the five local councils and the University of Wollongong are our major financial partners.

Our major corporate sponsors are BlueScope Steel, ACEIT Sportswear, Warilla Bowls & Recreation Club and the Illawarra Mercury. There are also program sponsors, especially our cycling team sponsors and local and state sporting associations which number more than 20, from Cricket, Cycling, Golf, Hockey, Lawn Bowls, Netball and Rugby Union and numerous in-kind sponsors.

On behalf of the Academy Board, staff, coaches and support staff and especially our athletes and their very appreciative parents, we extend, to all sponsors and supporters, a sincere thank you for your ongoing support of our Academy and we trust this support will continue.

The Academy's finances continue to be carefully managed so as to be able to provide services to our athletes as cost effectively as possible.

Future

As the year ends the Academy is in the process of appointing a new General Manager.

The implementation of the new Constitution, including the new Sub – Committee structure, chaired by an experienced Director, a new General Manager and the inaugural ClubsNSW Academy Games in Wollongong, all point to 2012 being an exciting and fruitful year.

To the Academy office staff, Pasco, Shawn and Selin and support staff including coaches and managers and especially everybody associated with the Academy – on behalf of the Board, I offer a special thank you for your untiring efforts in 2011.

B. A. Weir PSM

President & Managing Director

A Five-Star Education

The 2011 Good Universities Guide confirms UOW's longstanding position as one of the country's leading research institutions. UOW received five stars in seven key areas, where only the top 20 per cent of universities in Australia can be awarded five stars in any one category.

- ★★★★★ Getting a Job
- ★★★★★ Positive Graduate Outcomes
- ★★★★★ Staff Qualifications
- ★★★★★ Research Intensity
- ★★★★★ Graduate Satisfaction
- ★★★★★ Generic Skills
- ★★★★★ Staff to Student Ratio

UOW shares the Illawarra Academy of Sport's vision of helping talented young people from in and around the Illawarra reach their goals. Whether on the field or in the classroom, we think everyone deserves the chance to achieve their best.

Future Champions

Great Ambassadors

Dedicated Sportspeople

Outstanding Achievements

CORPORATE VISION FOR THE ILLAWARRA ACADEMY OF SPORT

To be recognised locally and nationally as the most effective and professional Regional Academy of Sport.

MISSION

To provide opportunities and services for sport, talented athletes and coaches within the Southern Group of Councils area to achieve excellence.

AIMS AND OBJECTIVES

- To provide the opportunity and encouragement for talented athletes within the Southern Councils Group (SCG – Illawarra region) to achieve excellence in sport and outstanding sporting citizenship.
- To facilitate the development & support of talented athletes with potential.
- To provide sports science support and evaluation and specialist services and resources to assist in the pursuit of excellence in sport or in activities related to sport.
- To develop and assist talented coaches and foster an environment conducive to the enhancement of coaching and related activities.
- To maintain an operational structure which contributes to the sports development network.
- To act as a catalyst in the development of innovative programs for the improvement of sport within the Southern Councils Group area, including effective talent identification programs.
- To encourage and assist athletes in their pursuit of improvement and excellence in sports skills to travel both within Australia & overseas for the purpose of seeking competition, training and experience.
- To conduct, commission or join in research, activities in the pursuit of excellence in sport.
- To establish, administer and seek financial assistance to promote excellence among young athletes.
- To act as trustee of any bond or to administer any foundation established to promote excellence or achievement in sport or in activities related to sport.

HISTORY

The concept of the Illawarra Academy of Sport emanated from a community based investigation into sport and lifestyle opportunities in the Illawarra. A committee which comprised of representatives from government, education, business and community sport recommended the establishment of an Academy to expand sporting opportunities for talented athletes of the region.

With the University of Wollongong facilitating its progress, the committee's vision became a reality. Then the Illawarra Institute of Sport was launched in December 1985, becoming Australia's first Regional Academy of Sport. For funding reasons, the term Institute, was replaced with Academy prior to incorporation in 1988.

Sports Programs

As the Academy evolved, the range of sports expanded and since 1986 programs have been conducted in 18 different sports. Although, gymnastics, touch, basketball, soccer and surfing are no longer in the Academy, nine sports programs remain.

Currently there are programs offered for golf, netball, hockey, cricket, rugby union, cycling, an individual athletes program, lawn bowls & tennis. Since 1985, there have been over 4500 scholarships offered to local athletes.

The IAS will continue to build on the range of sports available to local athletes

A Growing Example

The regional academy format, pioneered in the Illawarra, has now been replicated across Australia and overseas. Ten independent regional academies are in operation across NSW with the national network of regional academies now totally nineteen.

The strength of the Illawarra Academy of Sport has always been its strategic alliances and partnerships with Illawarra business, local government, sporting associations at regional and state level and support of the University of Wollongong.

ACADEMY POSITION IN SPORTS STRUCTURE

As a provider of talent development services, the Academy aims to position itself within the sports system at a level which will be of most benefit to athletes.

As an independent autonomous organisation, the Academy is in effect, working on behalf of the local and state sporting associations to develop talented athletes for the benefit of both the athletes and the sport.

The Academy programs are designed to complement the activities the athletes receive through their club and representative structure.

LINKS TO SPORTING GROUPS

The Academy operates within the sports system at several pre elite athlete levels.

It maintains links with a range of organisations to ensure that the local talented athletes receive the best possible support in their path to excellence. Links are maintained with:

Local & State Sports Associations

Administrative and coaching links are maintained with local and State sporting associations in the scholarship sports that have programs in the Academy.

Office of Communities - Sport & Recreation

As the largest single partner of the Academy, there are close operational links with NSW Sport and Recreation with regular interaction with the South Coast Region and at senior officer level.

NSW Institute of Sport

The Illawarra Academy sports programs are structured to ensure the athletes have the greatest opportunity to feed into the NSW Institute of Sport programs (where appropriate).

NSW Regional Academy Network

The ten independent Regional Academies in NSW maintain close links for athlete competition and training and sport management information sharing.

Academies of Sport Inc (ASi)

The ten independent Regional Academies in NSW, in 2003, formed ASi. The principal purpose of this organization is the planning and support of the Academy Games - a multi sport festival involving all Academies.

Australian Institute of Sport

The links with the AIS were established when the Academy was formed in 1985. Academy athletes have the opportunity of gaining entry to the AIS and a number of Academy athletes have graduated into AIS programs.

ACADEMY CATCHMENT AREA

The Academy operates through the Illawarra's geographic region comprising the five local government areas of: Wollongong, Shellharbour, Kiama, Shoalhaven, and Wingecarribee. Illawarra covers an area of 8,485 square kilometres and extends from Helensburgh in the north, Ulladulla in the south and across to the Southern Highlands in the west. The region has a population of 405,000.

Sports Training Camps

Maximise your team's sporting performance at
a Sport and Recreation Centre.

Our Sports Training Camps combine specialist sports training facilities and services including accommodation and catering packages. Sports Training Camps are available at Myuna Bay, Jindabyne, Sydney Academy and Lake Ainsworth.

For more information please phone 13 13 02 or visit www.dsr.nsw.gov.au

ADMINISTRATIVE OPERATIONS

The Academy Administration Centre is based at the University of Wollongong. The location offers access to IAS training facilities for a range of sports, access to lecture and tutorial rooms, physiotherapy facilities and close links with key volunteer and sports groups and consultants.

The Academy employed three (3) full-time staff and one (1) part-time staff in 2011. Academy coaching staff are all contracted on a casual basis and as volunteers receive a small honorarium to cover their costs.

Staffing Levels During 2011

------------	---

Media and Public Relations

The flagship of Academy public communications is "Academy Corner". This newspaper column which is produced weekly is published in the Illawarra Mercury, Lake Times, South Coast Register and the Southern Highlands News.

The one page weekly feature published in the Illawarra Mercury, as part of junior sport, continued in 2011 after its establishment the previous year. Again, the feature proved extremely popular with athletes & families, sponsors and supporters.

Once again eNEWS had its following. This weekly electronic newsletter is now distributed to close on 800 locals, athletes, coaches, parents, sponsors & supporters.

The Academy appreciates the excellent coverage afforded by the various regional media outlets within Illawarra and gratefully acknowledges their support.

FUNDING SOURCES

The Academy operates as an independent and autonomous sporting organisation. Funding for the sports programs and the administrative operations is achieved through a variety of sources including government grants, University funding, sports funding, athlete contributions, corporate sponsorship and business support.

The Academy has four primary sponsor categories: Partners, Program Sponsors, Affiliate Sponsors, Supporters and Friends.

The New South Wales Government through NSW Sport and Recreation is the largest single sponsor of the Academy providing an annual grant of \$143,000. The five councils of the Southern Councils Group grants total more than \$60,000.

The University of Wollongong provides financial assistance as well as support services and access to facilities. The University assists the Academy with access to staff and sport science support services as does the University Recreation and Aquatic Centre.

Program Sponsors

Program sponsors provide 'value in money' by way of funding and/or substantial 'value in kind' to specific Academy programs or projects including:

- Sports Programs
- Regional Programs
- Special Projects & Events

Our team of Program Sponsors include BlueScope Steel, Warilla Bowls and the Illawarra Mercury.

In 2011, Cycling Program sponsors included: Bowral & Katoomba NRMA, Raine & Horne Wollongong, Frank Soto & Associates, the Ben Mikic Foundation, Roadworx, Bikesportz, Cycling NSW and Hot Designs.

Affiliate Sponsors

Assisting the Academy across several sport or event programs was Go Hire.

Supporter 'Sports'

A policy of the Academy is that any sport, which has an Academy program, is required to contribute financially to that program.

This funding represents approximating 25 - 50% of base program costs. Sources include assistance from governing associations of that sport, local clubs, associations, state associations, or a combination of these.

Sports funding includes 'value in money' and may also include 'value in kind' (goods or services) in support of a specific Academy sports program or project.

Friends of the Academy

We gratefully acknowledge the support of Graphic Connection for their graphic design and publication expertise and ACEIT Sportswear who are official suppliers of sportswear.

Sydney **WATER**

**Proud to be associated with
the Illawarra Academy of Sport
and take this opportunity to
wish all members of the
Academy success in 2012**

SCHOLARSHIP PROGRAMS

The major focus of Academy activity is the delivery of sport coaching and education programs for its scholarship athletes. Services are provided to a select group who must satisfy eligibility and selection criteria.

Common Athlete Eligibility Criteria

The athlete must:

1. Reside in the Southern Councils Group (SCG) area (Wollongong, Shellharbour, Kiama, Shoalhaven & Wingecarribee);
2. Display an ability to apply coaching and technical instruction;
3. Demonstrate dedication to improving performance;
4. Demonstrate, through past performance and/or potential capacity, the potential to improve performance to a high level;
5. Be a registered participant of an association within the SCG area.

Selection Criteria and Program Design

In addition to the eligibility criteria outlined above, sport programs have additional selection criteria which varies from program to program. At time of nomination this criteria is outlined.

BENEFITS & SERVICES

A generic Academy scholarship provides the following benefits and services:

- Coaching by accredited and experienced coaches (except IAP program) including high level guest coaches
- Subsidized Academy uniforms and specialised equipment
- Sport science support and evaluation
- Specialist training including sprint training and fitness advice
- Sport psychology, nutrition and sports medicine advice from leading experts
- Video analysis of technique and tactical appreciation
- Public speaking and personal development opportunities
- Exposure to high level competition
- Travel assistance for competition and Academy activities
- Academy tours in NSW & interstate
- Drug education seminars
- Log books for educational information and monitoring of training and competition
- Tours/camps at some of Australia's premier elite coaching facilities.

CORE PROGRAM COMPONENTS

The primary objective of the Academy is to improve an individual athlete's sporting ability and to equip them with skills to enhance their prospects of future success.

Training & Technical Development

Coaching and training sessions form the major component of the scholarship program (except individual athlete program). The coaching staff design programs that emphasise individual development concentrating on the strengths and weaknesses of the athletes together with activities to improve an athlete's knowledge and ability in the tactical aspects of their sport.

Sports Science

To supplement the coaching and training component of the program, the athlete receives advice in specialist areas of athlete development. The sport science program elements aim to provide regular and relevant feedback to the coaches and athletes on the physical fitness and training levels of the athletes.

Athletes annually complete sessions in nutrition, sport psychology and sports injury prevention and management. The aim of these sessions is to provide information to make athletes aware of the role these areas play in enhancing individual performance.

Competition Opportunities

Academy squads participate in selected competitive fixtures during their scholarship program. Competition is primarily against selected opponents including other Regional Academies, State Academies, representative sides, or strong club teams and is valuable to the coaches in providing feedback on the progress of the athlete and the effectiveness of the coaching program.

Sporting tours overseas, interstate and within NSW may also be conducted to provide competitive opportunities in the unique touring environment.

Personal Development

A key objective of the Academy is to develop outstanding sports citizens and education and awareness sessions based on public speaking, drugs in sport, media and sponsor servicing are incorporated into the program. In addition, athletes are exposed to social and promotional situations to develop their personal understanding of the breath of sports development and community awareness.

SPECIAL EVENTS

Mayoral Receptions

A reception, hosted by the Mayor or Council of the each of the five Councils of the Illawarra, provide an annual opportunity for the athletes and coaches to be officially recognised by their own community.

These functions also serve to develop social and personal aspects of the scholarship holders and an understanding of the range of community and government groups who support their development.

Again we thank our local Councils of Wollongong, Wingecarribee, Shellharbour, Kiama and the Shoalhaven for showing such support for the Academy.

Athlete Inductions

Inductions have been part of each Academy sport program since inception. Two athlete inductions involving several sport programs were held in 2010 - an autumn induction in May and a spring induction in October 2010.

The multi-sport induction, is a major event in its own right. Athletes, parents and sports program staff (which may total over 300 on each occasion) participate in several education seminars and undertake their introduction to the Academy.

This format allows more professional presentations and parental involvement in specialist presentations including Drugs in Sport, Women in Sport, and Nutrition.

Academy Games

Although various sporting and events based organisations exist in the market place none have the specific focus of talented athlete development across a broad range of key sports and a combined capacity to bring together the State's athlete development Academies at one time for the conduct of an 'Academy Games'.

This gives rise to the opportunity to create a unique 'brand' which becomes synonymous with talented athlete development and competition, and the conduct of a high quality and professional major event over a three day period. The 'Academy Games' brand also enables the development and implementation of a highly marketable corporate and media program with coverage across NSW through key agencies who are well known for their support of regional development.

In 2011, the sixth year of the Games, the Illawarra Academy sent a team of 90 athletes and coaches from five of its sports programs: golf, hockey, lawn bowls, netball and rugby.

SPECIAL EVENTS *CONTINUED*

Academy Games Launch

In 2011 the IAS secured the hosting rights for the Academy Games for the period 2012-2014. The launch of the Academy Games was held on Friday 9th December 2011. In attendance to launch the Games were the Minister for Sport, the honorable Graham Annesley, Clubs NSW President Peter Newell, OAM and ASI Chairman Martin Bullock. Other representatives attending included Gordon Bradbery, Lord Mayor of Wollongong, David Brown, Deputy Lord Mayor of Wollongong, Kellie Marsh, Mayor of Shellharbour, Noreen Hay, Member for Wollongong and Tricia Hamilton from Bluescope Steel.

Presentation Night 2011

For the second year straight, the Annual Athlete Graduation and Award Presentation Night was held at the Novotel Northbeach. The event attracted over 350 people including dignitaries, athletes, coaches and family members.

Amy Duggan from WIN Television again oversaw the presentation of awards as master of ceremonies.

The event acknowledged the achievements of the 2011 Academy athletes and recognised the level of commitment and dedication they showed in striving for excellence in their sport.

The evening also paid tribute to the supporters of the Illawarra Academy of Sport who ensure that opportunities exist for the region's talented junior sportspeople to progress to a high level within their sport.

There were a number of special presentations made on the night. Service awards were presented to member of the board, John Wells for 15 years service. Golf coach, Greg Drummond received a 10 year award.

Acknowledged also were sport staff volunteers who are departing: Nick Matts, Gary Mandy, Neil Leifels and Luke Stone.

Also acknowledged was departing executive director, Mark Brogan.

2011 CRICKET

The Academy appreciates the support and financial assistance from Cricket Associations across the region: South Coast, Illawarra, Shoalhaven, Southern Highlands, NSW Cricket and sponsor BlueScope Steel.

CRICKET PROGRAM 2011

In 2011 the program once again maintained its focus on off-season athlete development, which linked in with the zone & state representative season.

The program included a weekend camp at Berry, a tour of the SCG, a match against the Illawarra under 17 rep team and regular training sessions which involved throwing techniques, speed & agility, batting, bowling, catching and wicket keeping. The squad also had a number of education sessions involving performance psychology, nutrition and injury prevention..

The highlight of the program was the August tour to Murwillumbah to compete against regional representative teams. Unfortunately, due to rain the squad was only able to play a T20 game and a 30/30 game.

In addition to a partnership with BlueScope Steel, the Cricket Program is also supported by the cricket associations of Illawarra, South Coast, Shoalhaven, Southern Highlands and Cricket NSW.

Program Snapshot

Ages: 14 - 16 years during scholarship

Squad: 16 males

Program Year: March - September (7 Months)

Key People: Stephen Davies (Head Coach)
Darren Beckett (Coach)
Jordan Matthews (Appr Coach)

Highlights

Tours: 4 days to NSW Far North Coast

Camp: 3 days at Berry Sport & Recreation

Matches: End of Program match Illawarra U17's

Athlete achievements:

Anthony Purdevski selected in the Illawarra Under 14 Kookaburra team

Daniel Constable selected in the Illawarra under 17 team.

2011 CYCLING

The Academy appreciates the support and financial assistance from the NSW Cycling Federation and Cycling Clubs of the Illawarra, Shoalhaven and Southern Highlands.

CYCLING PROGRAM 2011

In 2011, Cyclists undertook their regular training regime which was determined on an individual basis depending on discipline whether road or track.

The squad attended two overnight camps in Canberra and had regular tours around the state and country. A number of education sessions were held which were designed to help the cyclists in the mental preparation side of competition.

The IAS thanks Cycling NSW and the NSW Institute of Sport for their valued assistance with the Cycling Program as well as its collective of sponsors: Raine & Horne Wollongong, Roadworx, Frank Soto & Associates, Hot Designs Ben Mikic Foundation, NRMA Bowral & Katoomba, Tibra and Ben Kersten.

Program Snapshot

Ages: 14 - 16 during scholarship
Squad: 11 athletes - 7 male, 4 female.
Program Year: March to February (12 months)
Key People: Josh Kersten (Head Coach & Manager)
Wal Mullany (Coach)
Garry Mandy (Coach)
Neil Leifels (Head Coach - Resigned)

Athlete Highlights

Squad Tours:

Two overnight camps in Canberra

Athlete Achievements:

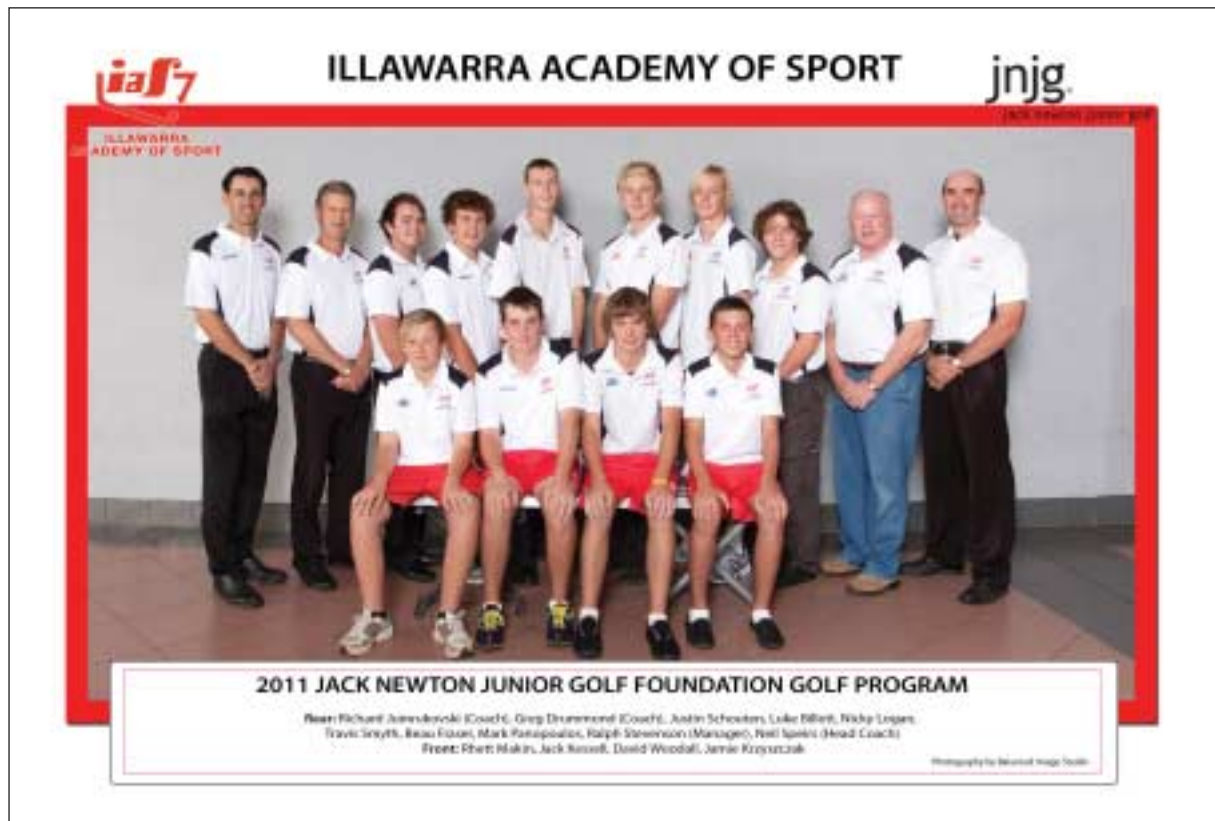

Holly Heffernan wins Gold in the Under 17 team sprint at Nationals.

Bridget Mullany wins the NSW Under 15 cyclist of the year award for the second year running.

Lara Batkin wins the NSW Criterium & Scratch Race championships.

2011 GOLF

The Academy appreciates the support and financial assistance from the Illawarra District Golf Association and the Jack Newton Junior Golf Foundation.

GOLF PROGRAM 2011

The 2011 golf squad commenced their program with regular training and education sessions at Windang, Kiama and Port Kembla Golf Clubs before participating at the Macarthur Junior Classic in Campbelltown.

The education sessions included regular performance psychology workshops, goal setting, public speaking, and nutrition. The squad also had their swing analysed on recorded video and undertook two squad fitness tests.

The also participated on a tour to Batemans Bay – athletes were in-camp and worked on course review and preparation with their coaches.

The program concluded with additional education and training sessions before hosting the 2011 IAS Golf Day.

The Golf Program is supported by the Illawarra Golf Association and the Jack Newton Junior Golf Foundation.

Program Snapshot

Ages:	15 - 16 years during scholarship
Squad:	11 males
Program year:	March - January (11 Months)
Key people:	Neil Spiers (Head Coach/Professional) Greg Drummond (Coach/Professional) Richard Jumrukovski (Coach/Professional) Ralph Stevenson (Manager)

Highlights

Tours: Batemans Bay camp
IAS Golf day at Wollongong golf course

Athlete Achievements:

Beau Fraser wins Kiama Junior Masters.
Mark Panopolous win the Moss Vale Junior Open.

2011 HOCKEY

The Academy appreciates the support and financial assistance from Hockey Associations across the region: Illawarra, Shoalhaven, Southern Highlands and South Coast.

HOCKEY PROGRAM 2011

The 2011 Hockey program consisted of a male & female squad. Both squads underwent regular training and education sessions alternating between Albion Park, Unanderra, Mittagong and the University of Wollongong.

There were a number of specialist sessions including speed and agility, core strength and nutrition. This year, training sessions focused on a range of core skills and also included creating space, game sense and goal scoring.

The squads had a series of home and away matches against South West Sydney Academy of Sport. The boy's squad also had the opportunity to play a game against the Korean U18 Team.

The highlight of the program was the annual Clubs NSW Academy Games in Armidale, whilst results are not a key focus of this event, the boys and girls squads were both the best performed Academy in Hockey.

As has been the case for a number of years, a number of athletes were selected for a variety of different NSW and Australian teams, both for field and indoor hockey.

The Hockey Program thanks the NSW Institute of Sport, and all the local Hockey Associations - Illawarra, South Coast, Shoalhaven, and Southern Highlands, as well as Hockey NSW for their support.

Program Snapshot

Ages:	Pre-elite program - 15 - 17 during scholarship
Squad:	Pre-elite program - 32 athletes: 16 males and 16 females
Program year:	October - October (12 months)
Key people:	Melissa Davis (Head coach) Emma Cobbin (Coach) Craig Nealon (Coach) Luke Stone (Coach) Glen Tomlin (Coach) Ernie Betts (Manager)

Highlights

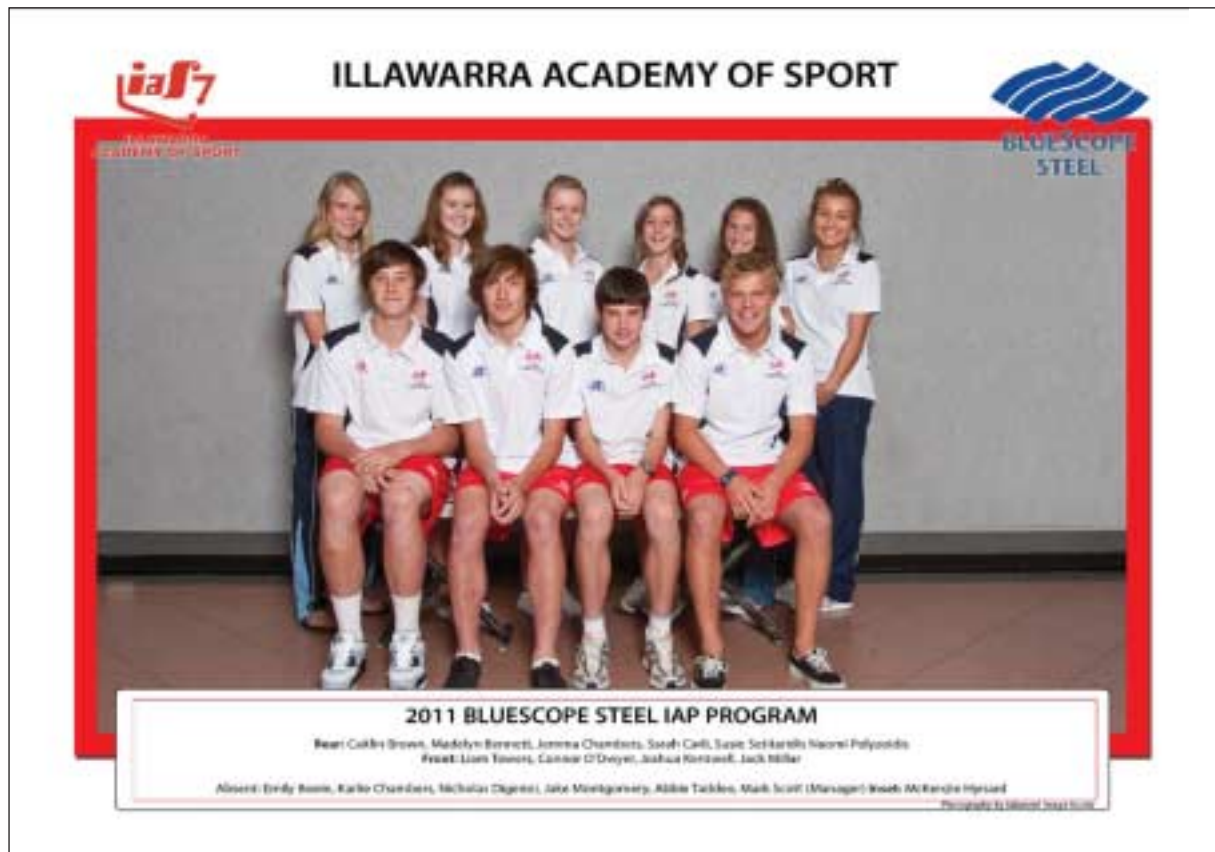

Tours: Academy Games - Armidale (April 2011)

Athlete Achievements:

Tegan Richards selected in NSW U18 team.

James Olsen & Kyah Gray selected in Australian All schools side.

2011 INDIVIDUAL ATHLETE PROGRAM

The Academy appreciates the support and financial assistance from sponsor BlueScope Steel.

INDIVIDUAL ATHLETE PROGRAM 2011

2011 was the 8th year for the Individual Athlete Program, with athletes from six different sports, including athletics, mountain bikes, gymnastics, triathlon, skiing & pistol shooting.

The program provided financial assistance, sport science and education sessions which were tailored to suit each individual and the demands of their sport.

Education sessions included performance psychology, time management, core strength, nutrition and public speaking.

This was the 8th year of sponsorship by BlueScope Steel and the IAS greatly values their contribution to the program.

Program Snapshot

Ages:	14 - 16 years during scholarship
Squad:	7 males 9 females
Program year:	October - September (11 Months)
Key people:	Pasco Coppolaro (Co-ordinator) Kate Battocchio (Manager)

Highlights

Athlete Achievements:

Joshua Kentwell wins silver at the Australian Junior & Youth Champs in the U16 Steeplechase.

Madelyn Bennett winning the Australian Gymnastics Junior International acrobat of the year award.

2011 LAWN BOWLS

The Academy appreciates the support and financial assistance from Royal NSW Bowls Association, Zone 16 Bowls, South Coast District Bowls, Southern Tablelands Bowls and Warilla Bowls & Recreation Club.

LAWN BOWLS PROGRAM 2011

This year's program was highlighted by the selection of Stephanie Hili, Dawn Hayman, Sean Mawdsley and Aaron Teys into the NSW State Junior side for games against Victoria, Queensland, South Australia, ACT and Western Australia. At the Australian Championships in Victoria Sean Mawdsley and Aaron Teys were the outstanding players winning two gold medals each. Stephanie Hili won gold and silver with Dawn Hayman winning one gold.

At the State Girls Junior Championships, Stephanie Hili won the singles whilst Natalie and Samantha Noronha won the Pairs Championships.

All Illawarra members of the Squad were selected in the Zone 16 Junior side whilst Dylan Skinner, Joel Sigsworth and Jessica Evans were selected in the Zone 7 Junior side.

The year concluded with the announcement of the NSW Junior Players of the Year for 2011, with Sean Mawdsley winning the Male Player of the Year and

Stephanie Hili the Female Player of the Year.

Warilla Bowls and Recreation Club was again the sponsor for the 2011 program and we thank them for their continued support.

The Lawn Bowls Program is also supported by Bowls NSW, Zone 16, Zone 7 and the South Coast District Bowling Associations.

Program Snapshot

Ages:	14 - 18 during scholarship
Squad:	18 athletes - 11 male, 7 female
Program year:	May to December (8 months)
Key people:	Leif Selby (Head Coach) Neil Bayo (Manager)

Highlights

Academy Games - Armidale (April 2011)

Athlete Achievements:

Sean Mawdsley and Stephanie Hili win the NSW junior bowlers of the year awards.

Australian Junior Championships Gold Medallist – Aaron Teys, Sean Mawdsley, Stephanie Hili and Dawn Hayman.

2011 NETBALL

The Academy appreciates the support and financial assistance from Netball NSW and Netball Associations across the region: Illawarra, Shoalhaven, Kiama, Ulladulla and Southern Highlands.

NETBALL PROGRAM 2011

The 2011 Netball program saw many changes relating to both coaching and managerial staff as well as player responsibilities and expectations.

Players were able to participate in development competitions throughout the year and around the state including Armidale, Maitland, Canberra and Sutherland. The squad played at the AIS, games against Sutherland State League Teams, a match against the NSW School Girls' Team and playing a curtain raiser at the Sydney Swifts game.

The squad performed well throughout the annual Clubs NSW Academy Games with players showcasing their skills honed throughout the year. The IAS provided initial fitness testing, established a fitness-training program for players to follow and educational talks including performance psychology, nutrition and injury management.

Players were encouraged to become decision makers and introduced to the game sense approach to develop both skills and tactics. Training was vigorous and new to the girls with a focus on making the basics of netball perfect. Most adapted well and liked the new style of training, taking their experiences back to their local regions for advancement.

The Netball Program receives great support from Netball NSW and the Illawarra, Kiama, Shoalhaven, Ulladulla and Southern Highlands Netball Associations.

Program Snapshot

Ages: 15 - 17 years during scholarship

Squad: 20 females

Program year: October - September (12 months)

Key people: Vicki Jansen (Head Coach)
Regan Tweddle (Coach)
Margaret Corbett (Mentor Coach)
Jan Godfrey (Manager)

Highlights

Camps & Tours:

Academy Games - Armidale (April 2011)

NIB Games - Maitland Tournament

Inter Academy matches in Canberra (2 rounds).

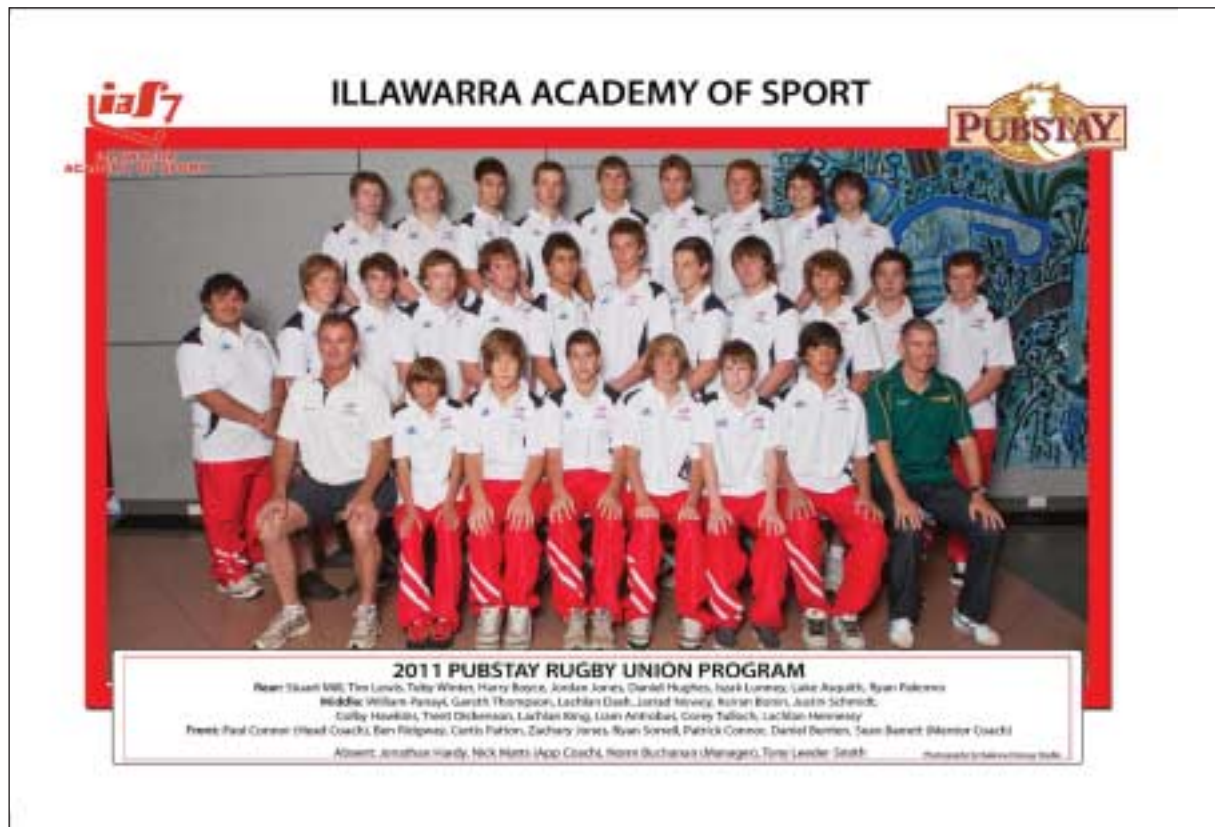

Athletes Achievements:

Laura Ducie gained selected in the NSW Talented athlete program.

Kimberley Murchie gaining selection in the NSW U16 Indoor netball team.

2011 RUGBY UNION

The Academy appreciates the support and financial assistance from Illawarra District Rugby Union and Australian Rugby Union.

RUGBY UNION PROGRAM 2011

The 2011 Rugby Union Program was conducted between October 2010 and April 2011. The Program kicked off with trial sessions where athletes were evaluated and a squad eventually selected.

The squad attended training sessions until Christmas and concentrated on building core skills and increasing their strength and fitness. After the Christmas break, the squad came back together and increased their skill level through intensive skill based training sessions.

The Head Coach, Paul Connor, along with the Squad Coaches, Tony Leeder-Smith and Nick Matts, were assisted throughout the program by Sean Barrett and the Australian Rugby Union High Performance Unit Coaching Staff.

The program culminated with the squad travelling to Armidale to attend the Clubs NSW Academy games, where the squad was put through a training session with the Wallabies Coach Robbie Deans along with other High Performance Unit Coaches. The squad then played in a Rugby Sevens competition and on the final day, played against other Academy squads in 15 a side format games.

The IAS thanks Illawarra District Rugby Union and The Australian Rugby Union for their continued support of the program.

Program Snapshot

Ages:	15 - 16 during scholarship
Squad:	27 athletes (male)
Program year:	October to October (12 months)
Key people:	Paul Connor (Head Coach) Nick Matts (Coach) Tony Leeder-Smith (Coach) Norm Buchanan (Squad Manager) Sean Barrett (ARU Rep and Mentor Coach)

Highlights

Tours: Berry Camp
Academy Games & Waratah camp -
Armidale (April 2011)

Athletes Achievements:

Tim Lewis selected in the NSW Country team.
Lachlan King selected in the NSW Combined Catholic Colleges Team.

2011 TENNIS

The Academy appreciates the support and financial assistance from Tennis NSW.

TENNIS PROGRAM 2011

2011 saw a squad of four athletes begin the program. Unfortunately, with Tennis NSW unable to provide staff to help run the program, it was decided to integrate the squad into the Individual Athlete Program for the second half of the program.

Education sessions included performance psychology, time management, core strength, nutrition and public speaking.

Program Snapshot

Ages: 14 - 17 years during scholarship

Squad: 4 females

Program year: May - December (8 months)

Key people: Shawn McEachin-Campbell
(Senior Program Manager)

Highlights

Athletes Achievements:

Lily Tuivaga gaining selection in the AICES 15 years team.

Jordan Gregson wins the Under 14 singles & doubles at the Wollongong junior open.

Kate Lynch won the Consolation singles final at the ACT open.

Stella Crick finalist in doubles at Red Centre Open.

ILLAWARRA ACADEMY OF SPORT ATHLETE AWARDS 2011

Athlete of the Year Awards

The Academy annually recognises a sport athlete in each of its sports programs.

The Tobin Family Award

The Illawarra Academy of Sport, in 2002 created a new annual perpetual award which recognises excellence in junior sport in the Illawarra.

The Award, presented to the Illawarra Academy of Sport's Athlete of the Year, was named "The Tobin Family Award" in recognition of that family's contribution to sport in the Illawarra for more than sixty-five years.

The Tobin Family Award is given to the Academy athlete who, during the course of their scholarship, displays an exceptional level of sports performance, a commendable attitude to competition, persistent dedication to learning and strong community support. All Academy sports program athletes are eligible for the award.

2011 is the ninth year the award has been presented.

The recipient of the Award receives a trophy and a \$5,000 scholarship to assist their further development in sport.

Past recipients include Rebecca Borgo (2002, Cycling), Anita Cowley (2003, Freestyle Canoe), Kieran Govers (2004, Hockey), Amiel Cavalier (2005, Mountain Bike), Sally Fitzgibbons (2006 & 2007, Surfing) and Ryan Gregson (2008, Athletics).

The Vic Burrows Memorial Award

In 2009, the Academy is pleased to introduce the Vic Burrows Memorial Award. Vic was the founding co-ordinator of the golf program and devoted 10 years to ensuring the program was a success for aspiring young golfers of the region. The Award is supported by the Illawarra District Golf Association with a scholarship of \$500.

The recipient in 2011 was Travis Smyth.

Sarah Carli – Winner of Tobin Family Award 2011

Sarah had a sensational year in 2011. Sarah won a number of state and national titles, culminating with her silver medal at the World Youth Championships in July in France. Despite running in lane 8, Sarah ran her own race and after turning into

the home straight in fourth place, she unleashed a devastating final sprint to almost grab the leader right on the post.

Amongst her wins last year, Sarah set a new meet record last October at the NSW All Schools championships. There not only did she win her 400m hurdles race, but she also beat the record held by former dual World 400m hurdles champion, Jana Pitman.

Sarah always gives her best, whether it's on the track or at training. She is well liked by her peers. At education sessions she is always keen to participate and is regularly observed asking questions of the presenter. Sarah is a very strong supporter of her local club and is regularly seen wearing club clothing. She has been a keen supporter of the Academy, as was shown by her willingness to represent the Illawarra Academy of Sport at a Parliament function with all the other regional Academies of Sport.

ILLAWARRA ACADEMY OF SPORT ATHLETE AWARDS 2011 *CONTINUED*

Cricket **Daniel Constable**

Daniel was easy to coach. He has a great willingness to listen, learn and put into practice the skills he acquired throughout the program. Daniel participated with great enthusiasm in both skill based and educational sessions

On the tour to Murwillumbah Daniel was the most successful Academy batsmen in a rain affected tour playing a mature innings guiding the Academy to a respectable total after losing early wickets. Still eligible to play in the under 15's Daniel was selected to play in the Illawarra U/17's at the annual U/17 country carnival in Dubbo.

Also at the tender age of 15 Daniel was selected to play 1st grade for his home club Keira in the local Illawarra competition. Daniel is currently in 3rd place in the batting averages in the combined Illawarra / South Coast under 16 competitions.

Cycling **Bridget Mullany**

2011 saw Bridget take home 5 National medals and 15 state level medals. For the second year running she has taken out the NSW under 15 cyclist of the year award.

Bridget is an intelligent rider with a strong will to win. She attends

all the sessions and takes on board all the instructions that the coaching staff pass on to her.

Bridget has a dry sense of humour and gets on well with her team mates and is well liked by her colleagues. She is hoping to compete in the Junior World Championships 2013, then the Commonwealth Games in 2018 and eventually the Olympic Games by 2020.

Golf **Travis Smyth**

Travis has been a solid performer throughout his scholarship. During the 2011 scholarship year, he was consistently near the top of the leader board in his age group.

In 2011, Travis won the Junior Sydney Pennants, Port Kembla Club Championships and Wollongong Diocese Sports Council Blue Award. He was also the only player to win all of his A Grade Junior Sydney Pennants matches.

In addition to Travis' match play success, he was also selected for the Jack Newton Match Play Championships, NSW All School CCS Team, NSW Team and NSW Country Championships.

Travis is a keen and motivated golfer who is eager to do well. At education sessions he showed a strong desire in wanting to

improve and learn more. He hopes to one day become a pro golfer and compete on the PGA tour.

Hockey **Female - Tegan Richards**

In 2011 we saw Tegan compete at the highest age group level in Australia, competing in the Australian U18 and U21 Championships for NSW. Through this Tegan was identified, gaining selection as one of the youngest members of the Australian U21 SIS/AS Team and was selected

in the Australian Futures Squad, making her a targeted player for future Hockeyroo's selection. Tegan is a keen, highly focused competitor who works hard during team and personal training to improve her game.

Throughout her three years in the academy we have seen Tegan go from strength to strength. During her final year she has not only been extremely successful in her hockey, but has also proven to be an excellent role model for the younger players in the squad.

Hockey **Male - Blake Govers**

Blake competes at an exceptional level for someone of his age, being selected in NSW and Australian squads and teams with players up to 6 years his senior.

During this year Blake competed for NSW at the U15 National

Championships where he was named both as the player of the tournament and the highest goal scorer; scoring an amazing 29 goals in just 7 games! Blake also competes in Indoor Hockey. This year he was the highest goal scorer at three separate National Championships; U15, U18 and U21's. He was also named as the player of tournament at the U15 championships.

Blake's selection as one of the youngest players in the Australian Futures Squad makes him a targeted player for future Kookaburra's selection. Recently Blake has also been offered a full NSWIS Hockey scholarship. He is the youngest person ever to be on a full scholarship for hockey.

Blake's achievements are amazing for someone of his age. He is an exciting player who works hard to achieve his goals.

ILLAWARRA ACADEMY OF SPORT ATHLETE AWARDS 2011 *CONTINUED*

Individual Athlete Program Abbie Taddeo

Abbie had a great year in 2011, which saw her gain selection in the Australian Junior Team to compete at the Youth Commonwealth Games that were held at Isle of Man. There she won a silver medal in the 100m hurdles and then a bronze in the 4 x 100m relay.

Abbie is a bright and energetic young woman, who is focused on achieving her goals. She trains hard and is quick to recognise the value of sponsors and supporters.

Lawn Bowls Sean Mawdsley

In 2011 Sean had a great year in his last year as a junior. With outstanding performances at Zone, State and National level, he will remember 2011 as his year. Sean won the Zone 16 junior singles, pairs and fours and then had an

outstanding week in the NSW State Junior Championships winning both the State Junior Pairs and the Fours titles. At the Australian Junior Championships, Sean represented NSW in the Singles and Pairs and collected gold medals in both.

At the end of the year, Sean became the first Under 18 player in many years to gain selection in the Country Tour team. Sean is polite, well liked and respected. He shows up for all the training and education sessions and is eager to learn. To cap his scholarship year off, Sean won the national under 18 male player of the year award.

Netball Annabel Bretag

Annabel is an exceptional player who is a positive role model and natural leader to all members of the squad.

She continually strives for improvement and is recognised as a tough opponent.

Annabel has trailed for State and while not making the final team has drawn attention of selectors for her strong presence on the court.

She has been an excellent ambassador for netball, at both local and state level.

Rugby Union Colby Hawkins-Boyd

The 2011 Rugby Program was Colby's second year as a scholarship holder. Having won this award last year, Colby has not let up with his efforts but only increased his work rate and dedication.

His dedication and hard work paid off during the 2011 season as he

was selected once again for both the Illawarra and NSW Country Representative teams. Colby was also awarded a scholarship to attend The Scots College in Sydney, where he was selected to play for the NSW Schools team at the Under 16's National Championships.

Colby has also been identified as a talented player by the Australian Rugby Union High Performance Unit and has been placed in the Pathway to Gold program.

This program will also increase Colby's skill level and hopefully allow him to achieve his goal of playing at the Super Rugby level.

Tennis Stella Crick

Stella is a very keen and energetic player. She is always willing to listen and take on advice.

Stella has taken all the opportunities that the Academy has had to offer her. She rarely missed a session last year and when she did she was

keen to attend another session with one of the other squads so she didn't miss out on the opportunity.

In 2011 Stella travelled all around Australia, from Glenorchy in Tasmania to Alice Springs in the Northern Territory. She took her Australian ranking down from 161 in January to 110 in December.

Illawarra Academy of Sport Incorporated

Notes to and forming part of the financial statements for the year ended 31 December 2011

1 Statement of significant accounting policies

The significant policies, which have been adopted in the preparation of this financial report, are:

(a) Basis of preparation

The financial report is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards, Urgent Issues Group Consensus Views, the Public Finance and Audit Act 1983, the Public Finance and Audit (General) Regulation 2000, other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Law. It has been prepared on the basis of historical costs and except where stated does not take into account changing money values or current valuations of non-current assets. These accounting policies have been consistently applied and, except where there is a change in accounting policy, are consistent with those of the previous year.

(b) Revenue and revenue recognition

Members' fees are brought to account in the year to which the fees relate, and not necessarily the year in which the Illawarra Academy of Sport, which collects those fees on behalf of the company, remits them to the company.

(c) Taxation

The operations of the company are exempt from income tax under sections 50-5 and 50-45 of the Income Tax Assessment Act (1997).

(d) Non-current assets

The carrying amounts of non-current assets are reviewed to determine whether they are in excess of their recoverable amount at balance date. If the carrying amount of a non-current asset exceeds the recoverable amount, the asset is written down to the lower amount. In assessing recoverable amounts of non-current assets the relevant cash flows have not been discounted to their present value.

(e) Plant and equipment

Items of plant and equipment are initially recorded at cost and depreciated as outlined below. Items of plant and equipment are depreciated using the straight-line method over their estimated useful lives.

The depreciation rates used for each class of assets are as follows:

	%
Computer Equipment	33
Furniture & Fixtures	7.5
Other Equipment	20

(f) Receivables and accounts payable

Trade accounts receivable are generally settled within 90 days and are carried at amounts due. The collectability of debts is assessed at balance date and specific provision is made for any doubtful accounts.

Liabilities are recognised for amounts to be paid in the future for goods or services received, whether or not billed to the company. Trade accounts payable are generally settled in 30 days.

(g) Inventories

Inventories are carried at net realisable value.

(h) Provisions

Employee entitlements

The provision for employee entitlements to wages, salaries and annual leave represent the amount that the company has a present obligation to pay resulting from employees services provided up to the balance date. The provisions have been calculated at undiscounted amounts based on current wage and salary rates.

The company contributes to several defined benefit and defined contribution superannuation plans. Contributions are charged against income as they are made. The company is under no legal obligation to make up any shortfall in the funds assets to meet payments due to employees.

(i) Goods and Services Tax

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense.

Payables and receivables are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the balance sheet.

Illawarra Academy of Sport Incorporated

Directors' Declaration

In the opinion of the directors of the Illawarra Academy of Sport Incorporated:

- the financial statements and notes, set out on pages 2 to 6 are in accordance with the Corporations and Association Act, including:
 - giving a true and fair view of the financial position of the Academy as at 31 December 2011 and of its performance, as represented by the results of its operations, for the year ended on that date; and
 - complying with Accounting Standards and the Charitable Fundraising Regulations 1998; and
- there are reasonable grounds to believe that the Academy will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of the directors.

Brian Weir
Chairperson

Bill Dowson
Treasurer

Dated at Wollongong this 15 day of February 2012.

ILLAWARRA ACADEMY OF SPORT INCORPORATED
AUDITORS REPORT TO THE MEMBERS
FOR THE YEAR ENDED 31 DECEMBER 2011

Scope

We have audited the Financial Statements of the Illawarra Academy of Sport Incorporated for the year ended 31 December 2011, consisting of the Balance Sheet, Profit & Loss Statement and Accompanying Notes as set out on pages 2 to 6. The Academy's Board are responsible for the preparation and presentation of the financial statements and the information they contain. We have performed an audit of these financial statements in order to express an opinion on them to the members of the Academy

The audit has been planned and performed in accordance with Australian auditing Standards to provide a reasonable level of assurance as to whether the financial statements are free of material misstatement. The procedures include examination on a test basis of evidence supporting the amounts and other disclosures in the financial statements and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial statements are presented fairly in accordance with Australian Accounting Concepts and Standards and statutory requirements so as to present a view of the Academy, which is consistent with our understanding of their operations.

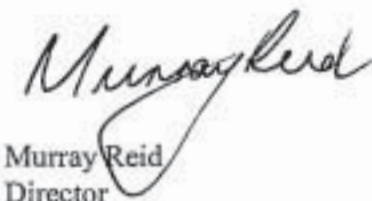

The audit opinion expressed in this report has been formed on the above basis.

Audit Opinion

It is not practicable for the Academy to maintain an effective system of internal control over all sources of income prior to their initial entry in the accounting records. Accordingly, our audit was limited to amounts recorded.

In our opinion, subject to the limitations imposed by the foregoing, the financial statements presents fairly the income and expenditure of the Illawarra Academy of Sport Incorporated for the year ended 31 December 2011 and the assets and liabilities as at that date.

RM Chartered Accountants

Murray Reid
Director

Dated 15 of February 2012
